The current bargaining agreements expire May 31 of this year. NOW is the time to begin the discussion and planning for negotiations and we are looking for YOUR input.

Management representatives involved in this year's bargaining committees will be with us to provide an overview of the bargaining climate and to listen to your thoughts on comments as they prepare for their discussions with the Carpenters, Painters, and Plasterers.

This is an important dialogue about the wages, benefits, and working conditions that affect the way you service your customers and your bottom line.

There is **no charge** to attend this meeting, but we do ask that you **confirm your attendance** by using the attached registration form. Drink tickets and appetizers will be provided during the reception.

We encourage you to come to this informative meeting!
